
Hi and Thanks for the ERC

Hello. New to the club and wanted to say thanks.

I took the ABATE Experienced Rider Course arranged by the club this past weekend in Fort Collins. The course was great, John and Ben from ABATE were awesome coaches. I learned a lot of good stuff and uncovered some bad habits I need to break. Plus it was fun to watch some fellow BMW owners show what a beemer can really do in the right paws.

Thanks folks for arranging the class with ABATE.
