
Two-Bits Rally

Posted by rbishop - 2008/04/29 23:12

The 4th Two-Bits Rally will be held Friday June 6, 2008, starting and ending in Frisco, Colorado. The rally is a 6-hour introduction to 24-hour motorcycle rallies, will offer a challenging and fun experience for those that have always wanted to try their hand at this type of rally, as well as to those with many rallies under their belt. Previous Two-Bits have had a good mix of rookies and those with considerable experience, including winners of the LOE 1000 and Waltz Across Texas.

Scoring will be broken into two classes so everyone can compare themselves to their peers.

- Entries must be received by May 30, 2008 so we will have plenty of time to print the bonus listings and so forth.
- If you are also ordering a hat, your entry must be received by May 9.
- There is a possibility of on-site registration on the day of the event if 40 entries haven't yet been received, but early registration is encouraged.

Check www.twobitsrally.com for more details and the registration form. You can use this forum (or my e-mail bishoprl@earthlink.net) if you have questions.
