
WTB: Aftermarket seats for R12RT

Posted by jay71 - 2008/06/18 23:40

Looking for an aftermarket rider and passenger seat to fit an '08 R1200RT. Would prefer something like Sargent or recovered seat (Mayer, Russell, etc) that works with integrated heat system. I know this is a longshot but if you have something you'd like to part with let me know. Thanks! -Jay
