I just received this from our neighboring club in Arizona. I've heard good things about this Rally, and in May it's probably the place to be for good riding weather. <http://www.azbeemers.org/>

That one was actually already on our club calendar :cheer:

There are rides, rallies, bike shows, swap meets, and other items of interest for motorcyclists. And if there is something we should add, let them know at bmwmcc.calendar@gmail.com.

Oops! Thanks Ken, there's quite a bit of information on this website. I need to spend more time looking around.
:blush:
