
Howdy

Howdy everyone. You might know me as one of the Pass Baggers who has shown a bunch of mountain pass photos at a couple of the monthly meetings. My hat is off to the folks that came up with the idea that makes for a great excuse to ride all over Colorado, going to passes I haven't seen for years, going to passes I've never seen (or even heard of before), exploring back roads, and enjoying the scenery. Hopefully this summer I'll be "bagging" some more passes, in addition to "collecting" some of the old 1930s-vintage bronze plaques that were put up by the Colorado State Historical Society.
