
Beamers and Bears campout

I plan on being there. I'll be riding up from a night of camping down by Lake Isabel (near Bishops Castle). What time are people arriving? I'm trying to decide if I need to stop by my house or if I should head straight over. I haven't been on this campout before, what is meant by "Music scheduled to start at 6:00pm"? Is someone bringing a ghetto blaster, or is it something better?

Announcing the second annual

'Beemers and Bears Campout'

Date and Time: This Saturday and Sunday May 24th and 25th.

Campground opens at 1:00.

Location: Golden Gate Canyon State Park.

Hello BMWCC riders.

Welcome to the 2nd annual Beemers and Bears campout/cookout/music event.

This is a great free benefit to members in the club.

Take this opportunity to shake the dust off the tent and camping gear and join us for a good time

in the foothills just minutes west of Golden.

The club will provide free camping, beer and soft drinks, a brats and burgers style dinner on Saturday

evening and breakfast burritos on Sunday morning.

Oh yea, a wonderful Bluegrass Band for entertainment Saturday evening around a roaring campfire.

Can't hardly beat that with a stick. Did I mention the free part?

Yes, free to all BMWCC members!

So bring your Kermit chair or facsimile thereof and sit around the campfire to trade stories,

drink a little beer or soda and listen to music with your riding buddies.

When you ride through the gate mention to the ranger type that you are part of the group.

Your admission has been paid for in advance by the club.

Attached is a word doc with a few more details.

Hope to see you there!
