I'm Mark Zimmer, your club treasurer for 5 1/2 years now.

I ride a 2000 K 1200 LT (Light Truck). Throughout my last trip to Las Vegas I managed to keep it upright the whole trip. Took the southern route through the parks in Utah, Arches, Capital Reef, Bryce Canyon, and Zion. Great scenery and roads to ride. The weather even cooperated. Some nights motels were full. Next time I'm making reservations at Marmot. That's the tent division of Marriot Hotels if you believe that one.
