
Volunteers Needed for Beer Garden Duty in Gillette

Posted by hophed - 2008/06/08 15:18

Howdy All,

I am looking for volunteers from the club to work a 4 hour shift, pouring beer for your fellow rally attendees at the (Inter) National in Gillette. If you've never volunteered at a National, this is a great way to start! Lots of fun and socializing. If you would be interested, please let me know directly (not to the forum), and please tell me what day you will be arriving.

Thanks,
