
New Course date: Accident Scene Management Course

Posted by pjessen - 2008/06/11 23:00

Coleen just announced a new course date for this very informative and essential course for the avid motorcyclist:

June 14, 2008, Saturday, 8:30 to 4:30

5700 East 56th Avenue, Commerce City, CO
at the Center for Transportation Safety Office

Cost to BMW/MCC: \$50

Call Colleen at 303 433-9424 to register.
M Colleen Boyle
President, T3RG Motorcycle Schools

There are currently 9 spots open.

I personally recommend this course very highly. The most important part is that it makes you think about the many variables that you can be put in while on your journey...it really makes you think!
