It's a party and you are invited!

Please join your fellow BMWCC members in wishing Bruce and Miranda Sanders happy trails and good luck in their new home in Austin Texas.

Bruce, as you well know has been our illustrious president for the past 1 1/2 years and Miranda has worked very hard as the club's newsletter editor and ride book coordinator.

Per the club charter, Bruce has handed the reins to Dick Paige, previously VP.

Dick will assume the position of president of the BMWCC of Colorado through the end of 2008.

Miranda has handed the keyboard to the very capable hands of Keren Kilgore who produced the last beautiful and informative copy of the 'In the Wind'.

Come celebrate with Bruce and Miranda!

Thanks to Siggi and Jeff for jointly putting on one of the finest picnics you could ever expect! It was a great send off for our President and his very hard working wife. Bruce and Miranda were appreciated for guiding the club through some tough times, but they were loved for being great friends and supporters of so many club members. They will be greatly missed. The club tips its collective hat to both of them for their dedication and hard work on behalf of the club.

The food, music, cake, setting and all were superb!!

Oh yeah, photos are up on
