Need Gas Money? No time for the MOA Rally? Want to see National level athletes perform?
You're the one!

Be an escort rider for the Boulder Peak Triathlon, July 20, 2008

This event is short (2-3 hours) 18 motorcyclists needed to carry photographers, video, and race officials. You escort the bicycle race over paved roads starting and ending at the Boulder Reservoir.

If you are interested, contact Kevin Edwards at ke613@msn.com

It would be good to bring a bike you can ride two up at very slow speed. Also good to bring a vest or jacket that can be seen miles away.:unsure:

Having passed the referee test for bicycle racing wouldn't hurt, either, but totally unnecessary for this event.

I've been doing this with Kevin for a number of years, as have a couple other members. We find it very enjoyable way to spend some time with tremendous athletes.
