
Great to be here !

Well some of you may know me and others not. I have ridden and owned a K1200RS for the past 3 1/4 years now, and have 60k miles in that time. I look forward to increasing the stable of bikes. I have enjoyed the rallies and the weekend rides with the club. Have been very privileged to ride with some very good people as well to different states and events B).

News from me for the moment is that I will be going thru a divorce in the next few months and may not always be on top of my game. Please excuse my attitude if it shows :unsure: .

Ken,

Good luck with the divorce!! :(Watched our daughter go through one last October, it was a "clean" one, if that's possible and it was still "ugly". Long term scars!

Ride your KRS a LOT!! :) B)

Hi Kim,

My advice;

You have a lot of friends in the club.

Be with people you like, ride a lot and focus on the positive.

It's all good and for the better.

Your future is bright.

Coming through the clouds and into the sunshine!

See ya soon,

Jeff

khuffman, I am brand spankin' new to the club and very excited to meet everyone and to go on some great rides. A little beemer friendship will be very welcome.

I felt compelled to reply to your post because I too am going through a tough divorce right now. The divorce was actually the motivator to finally get my first BMW motorcycle (97 F650). It has been my therapy this summer...thank god!

Hopefully we can hit the road sometime and hang in there. I hope that with time will come peace and healing for both of us (at least that's what they tell me)
