BMW Motorcycle Club of Colorado Monthly Meeting

Where: RED & JERRY'S 1840 West Oxford Avenue (Corner of Santa Fe and Oxford) Sheridan, CO
 When: Wednesday September 8th 5:30 Dinner 6:30 Club Meeting 7:00 Presentation
 This month our featured speaker will be Butler Maps. A locally owned (Eagle, CO) Motorcycle Map Company <http://butlermaps.com/> Rather than suggesting a loop that begins and ends in the same spot, our map allows riders to quickly and easily plan a route based around their own time restraints and preferences. We understand that most riders do not have months to explore Colorado passes or Utah deserts nor do they have time to sift through the countless websites and blogs that divulge the best rides in say Wyoming or Montana. Our years of research and riding have eliminated the need to waste time searching and wondering if you're getting the best out of your ride. With one map you can see where the best riding experiences are and decide over a cup of coffee which ones you want to ride. I also understand they are planning a series of maps, which are designed for the off-road enthusiast. This should be a great presentation Hope to see you there!
 Ken Slough
 President BMW Motorcycle Club of Colorado
 2010 Top Of the Rockies "Lost & Found" Inventory List is [HERE](#)

ICE (in case of emergency) Before you head out for parts unknown this summer please remember to enter or update your ICE contact information on your cell phone. Emergency personnel are trained to look there. You'll also find a place for it on the back of your membership card to keep in your wallet. You can also link your info to your drivers license by going here: <https://www.colorado.gov> Look for "Add Emergency Contacts to Drivers License or ID" under the Services tab. This is a good idea because cell phones can be lost or broken in an accident. The club store also has helmet stickers for sale that carry the info. Please take a moment to check your info. Thanks!

Mark Konopka
 Safety Director
 BMWCC

Headed out to remote western country this summer? The second generation of the S.P.O.T. emergency locator is out. Smaller, faster, better, same price. It has proved to be a life saver here in Colorado and around the world. Several members have them already. Learn more at their web site.

An interesting comment from Keith Code regarding the S1000RR in Race School. Got a ride story? Your motorcycle experiences are interesting, entertaining, inspirational and perhaps even a learning opportunity for your fellow members. If you feel like sharing, please let us know here. Missing something? If it was on the home page and is now gone, it may have been moved to "Recent Articles" under "Members Stuff", a page that only shows if you are signed in. Or, go here.

Note to Members Only: If you log in, you will see a new menu to the right of "Membership" called "Members stuff" that shows: Ridebook, Newsletters (In the Wind), Upcoming Ride's and Events, Beemer Nation News, Discounts for Members, Life Members, Video Page, Member Survey, and Recent articles. Go ahead; sign in. Log in instructions are below on this page. Vendor Section Current specials and/or upcoming events by our beloved front range vendors. If you know of some that are not posted, please let the webmaster know! If you want to go to the vendor's web site, they are on the "Area Dealers and Shops on the left side of this page. Early bird special August 7 at Moto Gear. See flyer on vendor newsletter page. Log-in Instructions

If you are a member of the BMW Motorcycle Club of Colorado, please log in to see the full site and take advantage of the discounts offered. Members get access to some great new features when you access "Member Stuff" on the upper toolbar. It features detail info on specials and discounts for members, current and past In The Wind Newsletters, the popular and useful Club Ride Books and "Beemer Nation News", a great source of interesting motorcycle articles from newspapers and magazines around the country.

To Log in, go to the upper left corner of the page and at "User Name", enter the first letter of your first name and your complete last name (as in pjessen). Klik on "Forgot password?". You will get a flag asking for your username and email address. Klik on "Send new password" .A new password will be sent to you quite quickly.
